How to unlock aadhar pdf without password without pin password online

In case you face any issue regarding PIN code for your area or any such related issues (for the selection of state/district/city/town/village or post office), you can contact Unique Identification Authority of India (UIDAI) contact centre at Be it updation of change in address or just c/o details, you are required to provide address proof for aadhaar. Ensure to write the complete address as the aadhaar letter will be mailed to the same address. You can also save the acknowledgement copy in PDF or take a print out also for the record. Once you visit the centre, officials will provide you with an update request form which needs to be completely filled without any mistake as per the aadhaar card address change documents you are enclosing. An Aadhaar letter will also be delivered to your changed postal address. Steps to change your address on aadhaar card via offline method You can visit your nearby Aadhaar Permanent Enrolment Centre to get your aadhaar address change updated via the offline method. However, updating details like name, date of birth and address, needs you to submit relevant documents along with your aadhaar card and update request at the nearest Aadhaar Seva Kendra (ASK). Upload colour scanned copies (using the original document) of aadhaar address change documents as per the list of valid documents for address update Review and check all the details entered for aadhaar address change both in English as well as in local languages as correction cannot be done later and fresh request needed to be placed. You can then download e-aadhaar cards online on UIDAI's website. Let's see how a change in address can be updated in the aadhaar records with Unique Identification Authority of India (UIDAI). If your mobile details are updated in your aadhaar records, you can update or change your address on aadhaar card via online method. Following are the step-by-step process for changing your address on aadhaar card via online method - Log on to the official website of Unique Identification Authority of India (UIDAI) Click on 'My aadhaar' tab displayed at the top left corner on the homepage of Unique Identification Authority of India (UIDAI) Click on 'Update your address online' option under 'Update your aadhaar' tab When 'update your address online' page opens on aadhaar self-service update portal (SSUP), click on 'Proceed to Update Address' if the mobile number is already updated on your aadhaar records. You can log in with your 12-digit aadhaar number (UID) or even with your 16 digit Virtual (VID) number Enter the captcha verification code and click on 'Send OTP' button. Once you submit the request, Update Request Number (URN) will be generated. In the absence of aadhaar address change proof, you can update your present postal address in your aadhaar records with the consent and authentication of the address verifier. These details can be updated just by placing a request at any Aadhaar Seva Kendra (ASK) along with the aadhaar card. You can locate the details of nearest Aadhaar Enrolment Centre online on the official website of the Unique Identification Authority of India (UIDAI). Then select the appropriate box in 'C/o details' and enter the name of the concerned person (guardian/parents/spouse) in the relevant field. Submit the aadhaar address change request along with uploaded aadhaar address change documents. That means you can use your family members, relatives, landlord's or friends address proof if they allow you to use it as address proof for aadhaar. Following is the step-by-step process for updation of aadhaar address via validation letter - Click on 'request for address validation letter' You can log in with your 12-digit aadhaar number (UID) or even with your 16 digit Virtual (VID) number Enter the captcha verification code and click on 'Send OTP' button. Upon receiving your update request, the update should be successfully done within 90 days period as per the UIDAI's website. A one-time password will be sent on your aadhaar registered mobile number or on aadhaar registered email ID. Enter OTP to login to the updation portal Enter verifier aadhaar and SRN will be sent to you. Address verifier (guardian/parents/spouse) will receive a link for consent on his/her mobile Address verifier needs to log on to the link with aadhaar details and provide their consent to use. Hence, to access the aadhaar related services on the UIDAI's (Unique Identification Authority of India) website, it is important to update the change in details, if any. However, it is not mandatory to have c/o details in the aadhaar card address proof. You will receive the confirmation of verifier's consent on your mobile Log in with your SRN Preview your present address and edit if required (in local language) Submit the updation request You will receive the letter and secret code via post Log in to online aadhaar address update portal and update the address via secret code Review the address and submit your request. List of aadhaar card address change documents Documents required for aadhaar card address change are clearly listed on the official website of Unique Identification Authority of India (UIDAI). Fees applicable and turnaround time for aadhaar address change Basically, there is a fee charged on the update of an address change in aadhaar records. As per Unique Identification Authority of India (UIDAI), to update details like mobile number, email address, biometrics, and photographs and gender in aadhaar card needs no documentation. In case, you do not have any address proof for aadhaar, you can still change the address in your aadhaar records online via 'address validation letter'. The SSUP portal supports update requests in various languages such as Hindi, Assamese, Tamil, Urdu, Punjabi, Telugu, English, Bengali, Gujarati, Kannada, Oriya, Malayalam and Marathi. Every time when you move to a new house or relocate from one place to another, you are required to change your communication address or postal address in every important document and records. As the online update is authenticated by OTP (One-time password), mobile update in the aadhaar record is essential. Aadhaar card is also used for availing various benefits offered by the Government schemes and services. Once you submit the request along with aadhaar card address change documents, acknowledgement copy will be given to you which you need to keep safely for reference and tracking the status of the update. Hence, change in any details such as your mobile number and communication address needs to be updated in the aadhaar records. Aadhaar number issued by Unique Identification Authority of India (UIDAI) is a unique 12-digit random number that stores every detail of you such as your personal details (name, gender, and marital status, date of birth, postal address, and contact details), demographic details and biometric details in the government database. Aadhaar Card is one such important document that is used as identity proof and address proof. Note it down for future reference and tracking. A one-time password will be sent on your aadhaar registered mobile number or on aadhaar registered email ID. Enter OTP to login to the updation portal Select the address update checkbox Fill in the address details in the relevant field both in English as well as in the local language. C/o details can be a part of address update and hence not mandatory to provide while correcting your address in aadhaar. However, if you request for aadhaar address change update at the Aadhaar Enrolment Centre, you need to pay INR 25 each time. Following are the important points to remember while filling in the address details - To include Guardian/parent's name/ spouse name as a part of your postal address, select the 'address correction' option.
